DIABETES NZ ROTORUA INC. ANNUAL SUBSCRIPTIONS

Subscriptions for the financial year ending March 2010

Annual subscriptions are \$30 for adults; \$20 for young people (<25yrs) - this covers your whole family, and entitles you to receive diabetes the quarterly magazine of Diabetes New Zealand, which contains knowledgeable articles of interest to us all, plus the local Society newsletter, which is distributed prior to each General Meeting.

The Rotorua Diabetes Society meets six weekly and we have interesting guest speakers on topical subjects. Our Diabetes Educators attend and there is time to speak with them during supper following the meeting.
